

## Outcome Theme 4: Implementation of pledges on the ground

### Natura 2000 Biogeographical Process

## Scaling up implementing measures on the ground

### Natura 2000 Biogeographical Process

- Building trust: 'neutral' intermediary, working with key stakeholders, talking in the same language
- Staff continuity, permanent learning opportunities, training on necessary skills
- Outcome focussed and flexible approaches, keep administrative burden low
- Provide long-term perspectives, financing, contractual arrangements
- Support ownership-building
