

To access the archived documents for the biogeographical process, you will need to create an EU login. Once you have this login and have subscribed to the [archive folders](#), you can return to this document to follow links to specific folders which may interest you.

This is a working document as is undergoing regular revision as more documents become archived.

The folder containing all previous newsletters can be found [here](#)

Below, each event title is linked to documents contained within our archive. **Those in red do not yet have a report available**, but the files may contain other documents such as presentations and agendas.

The titles which do not link to anything have no documents available.

#### **2024 Workshops and Networking Events** (still available on the wiki)

[The Effectiveness of Strictly Protected Areas in the context of the EU biodiversity strategy](#)

[The Effectiveness of Marine Protected Areas](#)

[Towards sustainable forest management and monitoring: Report of the Bottoms-up project final conference](#)

#### **2023 Workshops and Networking Events** (still available on the wiki)

[Understanding OECMs to achieve the 30x30 target](#)

[Restoring degraded landscapes through Green Infrastructure](#)

[Natural River Processes as a base for river-related protected areas and river restoration](#)

[Migratory sea bird-friendly management of marine and/or coastal protected areas in the Baltic Sea region](#)

#### **2022 Workshops and Networking Events**

[Europe's freshwater fishes in the context of the Biodiversity Strategy targets for protected areas and conservation status improvement of habitats and species](#)

[LIFE in Common Land Congress](#)

[Mediterranean and Macaronesia Natura 2000 Sites as Bird Migration Hotspots](#)

[The effects of observer variation on field monitoring data and integrating new technologies for monitoring in Natura 2000 site management](#)

[Workshop on butterflies and EU biodiversity strategy targets](#)

[Disentangling the complexity and variability of Mediterranean temporary ponds \(habitat type \\*3170\)](#)

[Towards forest management in line with the protection and conservation of biodiversity, LIFE GoProFor final conference](#)

## **2021 Workshops and Networking Events**

[Introductory biogeographical seminars: terrestrial](#)

[Introductory biogeographical seminars: marine](#)

[Back to the past: is the brown bear returning?](#)

[Central Atlantic Flyway – Atlantic and Continental N2000 sites as migration hotspots](#)

[ASCOBANS Workshop on Management of MPAs for Small Cetaceans](#)

[Workshops on the harmonisation of procedures for monitoring, assessment, and conservation of the habitat types of Community interest in the Mediterranean – Workshop 3](#)

[Workshops on the harmonisation of procedures for monitoring, assessment, and conservation of the habitat types of Community interest in the Mediterranean – Workshop 4](#)

[Workshops on the harmonisation of procedures for monitoring, assessment, and conservation of the habitat types of Community interest in the Mediterranean – Workshop 5](#)

## **2020 Workshops and Networking Events**

[Baltic N2000 Sites as Migration Hotspots](#)

[Protection of Meadow Birds in the EU](#)

[Assessment and Management of Natura Freshwater Habitats](#)

[Regional Workshop on common approaches to habitats and species conservation in the Black Sea Marine Biogeographical Region](#)

[Uncertainty and Multifunctionality: Legal Challenges and Opportunities for Green Infrastructure \(GI\) Policy](#)

## **2019 Workshops and Networking Events**

[Exchanging experience on the management of invasive alien species in Europe](#)

[Anchors Away – Networking event on mitigating the impact of anchoring on Posidonia beds](#)

[European Workshop on Measures to Benefit Pollinators](#)

[International seminar on sustainable forest management in Natura 2000](#)

[ECOGYP Interreg Project](#)

[LIFE Platform meeting on Natura 2000 Governance](#)

[European workshop: Atlantic biogeographical chalk grasslands](#)

[Natura 2000 Biogeographical Process Marine Networking Event](#)

[Second HELCOM Marine Protected Areas Workshop](#)

[Workshops on the harmonisation of procedures for monitoring, assessment, and conservation of the habitat types of Community interest in the Mediterranean – Workshop 1](#)

[Eurasian Grassland Conference 2019](#)

[Fourth Eurosite Natura 2000 Monitoring Workshop: The roles of new technologies and citizen science in Natura 2000 monitoring](#)

ECOGYP Interreg project

[Workshops on the harmonisation of procedures for monitoring, assessment, and conservation of the habitat types of Community interest in the Mediterranean – Workshop 2](#)

### **2018 Workshops and Networking Events**

[Seminar for Forest management in protected areas: forestry for biodiversity conservation and climate change adaptation](#)

Boreal freshwater catchment field trip

[Exploring landscape boundaries and Natura 2000](#)

[International Workshop on Management of Coastal Dunes and Sandy Beaches](#)

[Cooperating for Grassland Conservation](#)

### **2017 Workshops and Networking Events**

Identification and management of old-growth forest stands

Towards a shared ecological rationale for more integrated implementation of the Nature and Water Directives

International and interregional connectivity of protected areas in the European North

Mountain Forest management in Natura 2000 sites

Living together

[Workshop on fisheries management measures in Natura 2000 sites in the Mediterranean Sea](#)

Our Ocean, An Ocean for Life

Impact of the CAP on grassland habitats in continental, pannonian and steppic regions

Eurosite Annual Meeting: Improving natural sites – join forces and prioritise your conservation actions

Natura 2000 Forest habitat types on secondary sites – conservation and management strategies

Littoral 2017 Conference

[14th Eurasian Grassland Conference “Semi-natural grasslands across borders”](#)

International Meeting on the Conservation of High Mountain Lakes

One Site, One Plan. Integrated Conservation Management

How can People and the Economy benefit from Nature? Stories from Citizens

Conference ‘An EU Action Plan for nature, people and the economy’

An interdisciplinary workshop aims at discussing possible forest management strategies in N2000 forests

European Maritime Day 2017, “The Future of our Seas

9th Meeting of the Boreal Steering Committee

FFH-Eichenwälder und –Fledermäuse

Workshop: best practices and challenges in restoration burning

Developing conservation management objectives and condition indicators for monitoring on Natura 2000 sites

LIFE in Forests

Farming for biodiversity: Results-based payments for biodiversity achievements in agriculture

[Workshop Vegetation databases and Natura 2000](#)

Lessons from the Stone-curlew LIFE project: RSPB EU LIFE+ end of project UK and international conference

## **2016 Workshops and Networking Events**

Eurosite Twinning Workshop

[Second Forum of Marine Protected Areas in the Mediterranean – “Integrating Natura 2000 objectives in MPA management”](#)

[Second interdisciplinary workshop on silvicultural measures and nature conservation in Natura 2000 forests](#)

InterLIFE FRANCE

Winterage festival related event

[Workshop on evaluating silvicultural measures and nature conservation requirements in Natura 2000 forests](#)

[Bosland 10 years – Passion for Nature – Integrated Governance: Mainstreaming Opportunities for Nature & Society](#)

AlpWeek 2016 – Call for contributions is open

[International Workshop: Nature Conservation and EU Financing – Challenges, Best Practices, Options](#)

InterLIFE BENELUX

[Cumbria BogLIFE – Restoring Peatland The – Development of Best Practice Techniques](#)

Management of Natura 2000 sites in Estuaries and Sea Ports

20th conference of the European Bird Census Council (EBCC): Bird Numbers 2016 'Birds in a changing world'

10th European Conference on Ecological Restoration – 'Best Practices in Ecological Restoration'

[Boreal Grand Tour on Restoration](#)

[Conference: Conciliate operational training with preservation of biodiversity on military camps](#)

[Forest management and Natura 2000 in the alpine and continental biogeographical regions](#)

INTERREG North Sea Conference 2016 – Building blocks for the future

[Ecology, morphology and management of coastal and inland dunes](#)

Boreal seminar follow-up “Restoration of fens mire habitats in Estonia – field trip”

[Beyond Wood – The multiple services provided by Europe’s forests](#)

[Workshop on Mediterranean forest management and Natura 2000](#)

European Workshop on Control and Eradication of Invasive Alien Plant Species

INTERREG Europe networking and partner search event

Sustainable Forest Management Workshop

European River Symposium 2016 – Rivers in Europe; Best Practices of River Basin Management

Alpine Spatial Development – Stakeholder Conference

The Launch Conference of the EU Strategy for the Alpine Region (EUSALP)

## **2015 Workshops and Networking Events**

### Alpine Grassland Management Workshop

World Soil Day – 2015 International Year of Soils (IYS)

FP7 CleanSea Project's Marine Litter Symposium & Film Première

Marine Biotope Mapping for Conservation Purposes

### Dutch Nitrogen Tour

### European forum on nature conservation and pastoralism conference

LIFE platform meeting on marine habitat management

Europe's wood pastures: condemned to a slow death by the CAP?

### Follow up event of the Natura 2000 seminar for the Pannonian, Black Sea and Steppic Regions

European conference for Protected Area managers: Protected Areas in a Changing World

River connectivity conference

2015 EFNCP Conference

### Natura 2000 Monitoring workshop (summary report available only)

Dynamic Dunes 2015 – Congress

### How can we make the Water Framework Directive and the Birds and Habitats Directives work together?

Nature & Sport Euro'Meet 2015

Natura 2000 and nature conservation on (former) military areas

### Natura 2000 Farmland Management and Biodiversity Conference

“Get inWolfed!” International Wolf Conference

### Sharing wetland centre best practice between Natura 2000 sites along the East Atlantic flyway

Coastal Management 2015 – Changing Coast, Changing Climate, Changing Minds

SER's 6th World Conference on Ecological Restoration: Towards Resilient Ecosystems: Restoring the Urban, the Rural and the Wild

Continental Biogeographical Region Kick-off Seminar

### Breaking Barriers: Stakeholder and Public Engagement for Natura 2000 sites

### Networking on Best Practices (BPs) for Mediterranean Grassland Habitat Types (Rangelands)

### Alpine Grassland Monitoring and Assessment Workshop

Boreal Steering Committee Meeting

Atlantic Steering Committee Meeting

### **2014 Workshops and Networking Events**

[Natura 2000 in action! – Regional cooperation for implementing the Natura 2000 network](#)

Workshop: Territorial governance and policy integration for Mediterranean water dependent Natura 2000 sites: challenges and opportunities

[Alpine Seminar follow-up workshop](#)

[Visegrad Group nature conservation workshop](#)

[1st Continental Steering Committee meeting \(selection document\)](#)

### **2013 Workshops and Networking Events**

[Nitrogen Deposition and the Nature Directives](#)

Seminar about restoration of raised bogs, fens and other mire habitats

### **Full Seminar Library**

[First Alpine Seminar – 2013](#)

[Second Alpine Seminar – 2017](#)

[Third Alpine Seminar - 2020](#)

[First Atlantic Seminar – 2012 \(draft report available only\)](#)

[Second Atlantic Seminar – 2016](#)

[Third Atlantic Seminar - 2019](#)

[Forth Atlantic Seminar - 2023](#)

[First Black Sea, Continental, Pannonian and Steppic Seminar - 2015](#)

[Second Black Sea, Continental, Pannonian and Steppic Seminar – 2018](#)

[First Boreal Seminar – 2012 \(draft report available only\)](#)

[Second Boreal Seminar – 2016 \(draft report available only\)](#)

[Third Boreal Seminar - 2019](#)

[Fourth Boreal Seminar - 2023 \(draft report available only\)](#)
